

Port Augusta Gulf Jobs & Skills Expo

“Covering the Upper Spencer Gulf”

Your invitation to participate as an exhibitor

What's the Expo about?

Centrelink Job Expos support Australian employers and job seekers. The main aim is to provide real job opportunities for local people. There will also be a focus on skills. To date Centrelink has coordinated 24 Jobs Expos around Australia with over 119,000 Job Seekers and well over 2000 Exhibitors attending.

The main objectives of this exciting event are to promote job vacancies, career pathways, and training opportunities. The **Centrelink Skills and Jobs Expo** will allow your organisation to promote jobs and pathways face to face with job seekers at a well publicised and professionally managed community event. The expo will be a great opportunity for employers to promote and fill job vacancies for all job types – a real 'Jobs Marketplace'.

Who will be there?

The Centrelink Jobs Expo will bring together employers, industry groups, recruitment providers, government and community organisations, as well as training and education providers. There will also be special guests and other activities to entertain and engage visitors. Job seekers from around the Upper Spencer Gulf are being personally invited to attend the Expo.

Special announcements, advertising and promotion will ensure a huge turnout on the day.
